

Senior Experten Service (SES)

Stiftung der Deutschen Wirtschaft für internationale Zusammenarbeit GmbH • Gemeinnützige Gesellschaft

TO WHOM IT MAY CONCERN

Senior Experten Service is a non-profit organization mobilizing retired professionals for voluntary activities in the frame of international co-operation.

The Senior Experts provide their lifetime experience in order to contribute to the economic development of the host nations without pursuing own commercial interests. They are retired on full pay and thus in a position to work on an honorary basis.

We herewith confirm that our Senior Expert **Mrs. Ulrike Waldorf** will realize a voluntary assignment from December 16, 2017 until January 15, 2018 at Diani Elite Educational Centre in Ukunda, Kenya.

There is no employment contract between the Senior Experts and SES nor between the organizations they are being assigned to nor do they draw any salary from SES or assignment partners.

We kindly ask you for preferential treatment of our Senior Expert and assist her wherever necessary.

Thank you for your cooperation.
