Description of Tasks

1. **Project Denomination:** KE-DIANI
2. **Type of Project:** Improving medicinal herbs production
3. **Project Number:** 21648405
4. **Assignment Description including Assignment Target:**

DIANI Education Centre C.B.O., Diani Beach, Kenya, is a public institution, established in 2007. The Centre is committed to youth education, health care projects and the production of moringa powder, lemongrass-tea dehydration and aloe vera cultivation. DIANI has 31 staff.

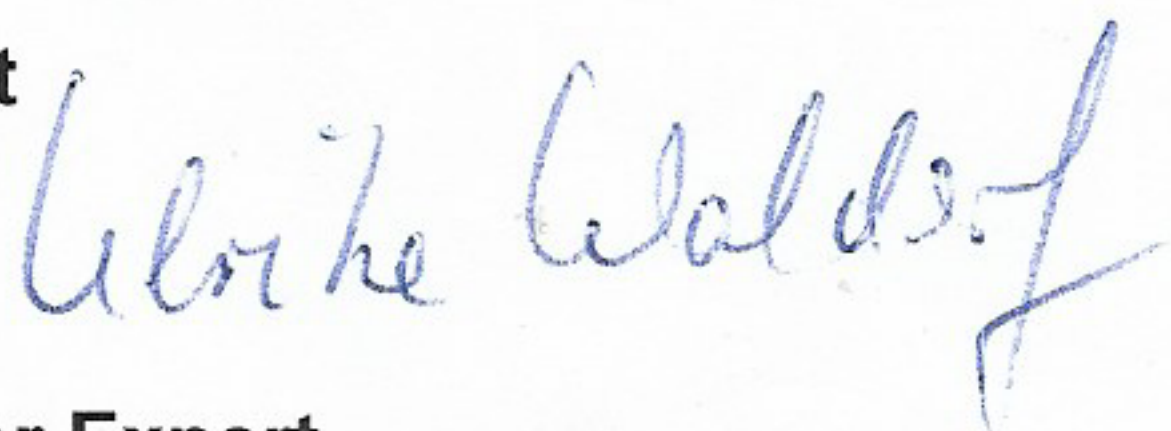

DIANI requests Senior Expert Ms Ulrike Waldorf to provide guidance and skill training in the following fields

- Expansion of the health-care project
- Increase in productivity and performance, especially knowledge about herbal health-treatment and Ayurveda Medicine
- Increase in sales and raising chances to generate income
- Contribution to social standards and labour protection

The assignment target is to build capacities of local staff in herbal-health treatment and Ayurveda Medicine.
